World Oceans Day Students from KG to Grade 9 marked World Oceans Day through a variety of engaging activities, including awareness demonstrations, discussions, and ocean conservation projects. These experiences helped deepen their understanding of the importance of protecting marine ecosystems and preserving our oceans for future generations.

Admission Fair

CGSD proudly participated in the British Council English Medium Schools Admission Fair 2026, held at the Gulshan Shooting Club. The event provided a valuable opportunity to connect with prospective families, engage with the wider community, and showcase the unique learning experiences offered at our school.

Tree Plantation

In celebration of World Environment Day, students from Classes 3 to 7 participated in the Gulshan Society Tree Plantation Programme. Through this meaningful initiative, they contributed to a greener future while learning the importance of environmental stewardship and sustainable living.

Playhouse Visit

Young learners from Playhouse Preschool visited Chittagong Grammar School Dhaka for a day filled with interactive activities, exploration, and learning. The visit provided an opportunity for the children to experience the school environment, engage with new experiences, and enjoy meaningful moments of discovery and fun.

Eid Reunion

The spirit of Eid continued at CGSD through a warm and joyful Eid-ul-Adha Reunion. Teachers and the Admin team came together to share a festive lunch, enjoy music, and celebrate the bonds that make our school community so special. It was a wonderful occasion filled with laughter, gratitude, and togetherness.

Water Conservation Bake Sale

The Student Body successfully organized a Water Conservation Bake Sale to raise awareness about the importance of clean water access. Through their collective effort and generosity, the initiative raised over BDT 30,000, which will be donated to WaterAid Bangladesh in support of its vital work.

Jersey Day

CGSD came alive with colour and excitement as students arrived in the jerseys of their favourite football teams. Celebrating the passion and spirit of the beautiful game, Jersey Day encouraged friendly conversations, sportsmanship, and a sense of community across the school.

Head's Message

Dear Parents,
What a superb way to conclude the academic year! We wanted our students to head into the summer break with good memories and June certainly delivered. From a student led bake sale supporting a meaningful cause and a Jersey Day that brought the FIFA spirit to campus, to a Fruit Festival for our youngest learners, class parties, movie time and, of course, exams in between.

While our students enjoy a well-deserved break, the CGSD team will be busy preparing for the new academic year. Work is already underway on improvements to our campus, curriculum, ECA programme and teacher development initiatives. One project we are particularly excited about is the refurbishment of the O and A Level Lounge. Our goal is to create a welcoming space where students can and recharge between classes. Students from different year groups have already worked alongside our Art teachers to transform the walls with a spectacular underwater themed mural, bringing the space to life.

Another important focus for the coming year will be strengthening our Environmental Stewardship initiatives and embedding them more deeply into both our curriculum and everyday school life.

Just before the summer break, CGSD was honoured to host the final DISA (Dhaka International Schools Association) meeting of the academic year. It was a privilege to welcome Heads of Schools from fellow DISA institutions to discuss common challenges, exchange ideas and explore opportunities for future collaboration.

As we conclude another successful year, I would like to thank you for the invaluable role you play in our journey. Your trust and partnership mean a great deal to us. Watching our students grow and thrive continues to inspire us and motivates us to keep striving for excellence.

Wishing you and your family a restful and enjoyable summer break.

Best regards,
Rubaiyat Razzaque
Head of School, CGSD
